We are still working on changing how we do things within the society and at the meetings. Some members have said that we should bring back speakers. We are planning to do that and have a different meeting format. We will start with just the meeting basics and more time for speakers and possibly more genealogy helping along the way. Also keep in mind that in October we will need to vote for new officers. The present officers are retiring. Please consider becoming an officer and put your name in the hat. Our officers are President, Vice-President, Treasurer, Recording Secretary, & Corresponding Secretary. We will discuss this more at the meetings until it's time to vote.
