I hope everyone did not have too much damage from Hurricane Francine. Let's pray that we do not get another Tropical Storm or Hurricane for the rest of this season. Stay safe!

Our last meeting was our research meeting. We all did research on our own family. Since we were upstairs in the DE Room, we did not have to walk far to get to the genealogy room to do our research.

**SPEAKER**

This month Fr. Mike Bergeron will be our speaker. He will talk about documenting our cemeteries, collecting and distributing history, and end of life issues. I am sure he has a lot to tell us. You don't want to miss his talk.
