We had a good short meeting. Get your thinking caps on because in October we vote for Outstanding Member of the Year and the award will be presented at our December Christmas Party. We also will select a nomination committee for voting for new Officers and Board Members. As of right now two positions will need to be filled: Vice-President and Treasurer. Please note that you can nominate yourself or someone can nominate you, but you must accept the nomination. Members must be in good standing to become an Officer, Board Member and to vote. Voting takes place in February 2026.

## **SPEAKER**

We will have a speaker this month: **Kyle Crosby**, founder and proprietor of Louisiana Dread, a company dedicated to showcasing Louisiana's unique heritage. A native of Larose, Louisiana, Kyle has an unwavering passion for preserving and sharing the rich history, traditions, and folklore of his home state. Through his work, he educates, inspires, and sparks a deep appreciation for the unique magic that lies within the heart of the Bayou State. With six years of experience in Louisiana tourism, a decade of professional acting, and a bachelor's degree in history, Kyle crafts engaging presentations, private tours, and immersive experiences for diverse audiences. He has spoken at different universities about a range of subjects including cultural preservation, land reclamation, and the loss of the Cajun French language. He brings Louisiana's past to life with compelling storytelling. Beyond his work in education and tourism, Kyle is deeply committed to raising awareness about Louisiana's coastal land loss. Through his films and a growing online presence of over 150,000 followers, he sheds light on this urgent environmental crisis, ensuring that the world understands the dire challenges facing his beloved home.
